November 13-14, 1997

Conference Objectives

The U.S. Environmental Protection Agency, Technology Innovation Office is sponsoring this conference to provide specific information on current and projected business opportunities for environmental clean up and characterization technologies at the State and Federal levels, the private sector, and international market.

Who Should Attend

Developers and vendors of innovative treatment technologies

Federal and State remediation officials

Private cleanup contractors

Parties interested in developing business relationships with remediation contractors

Exhibitors

U.S. Environmental Protection Agency

U.S. Army Environmental Center

U.S. Department of Energy

U.S. Navy

U.S. Air Force

U.S. Army Corps of Engineers

GWRTAC

GETF

Hazardous Waste Action Coalition

State Clean Up and Technologies Programs

Sponsor

U.S. EPA, Technology Innovation Office

Co-sponsor

U.S. EPA, Region VI

Proposed Agenda - DAY 1 - November 13, 1997
